

SHB 1489 - H AMD 90

By Representative Short

FAILED 02/28/2011

1 On page 8, after line 26, insert the following:

2 "NEW SECTION. Sec. 9. (1) The department of ecology shall deliver
3 to the governor and the legislature a formal report that outlines all
4 available peer reviewed science showing a correlation between the
5 implementation of the limitations on the use of dishwashing detergent
6 that contains phosphorus contained in chapter 70.95L and improvements
7 in waterbody phosphorus levels.

8 (2) The report required under this section may be limited, at the
9 discretion of the department of ecology, to Spokane and Whatcom
10 counties.

11 (3) The report required under this section must be delivered no
12 later than January 1, 2013. If, by January 1, 2013, the department of
13 ecology is unable to demonstrate through peer reviewed science that
14 there is a correlation between the implementation of the limitations
15 on the use of dishwashing detergent that contains phosphorus contained
16 in chapter 70.95L and improvements in waterbody phosphorus levels,
17 then that finding must reported to the governor and the legislature.

18 (4) This section expires on July 31, 2013."
19

20 Correct the title, renumber the remaining sections consecutively,
21 and correct any internal references accordingly.
22

23 On page 8, line 27, after "effect" strike "January 1, 2013" and
24 insert "upon the delivery by the department of ecology of a report, as
25 required in section 9 of this act, proving a correlation between the
26 implementation of the limitations on the use of dishwashing detergent
27 that contains phosphorus contained in chapter 70.95L and improvements

1 in waterbody phosphorus levels. If the report delivered pursuant to
2 section 9 of this act finds that peer reviewed science was unable to
3 prove a correlation between the implementation of the limitations on
4 the use of dishwashing detergent that contains phosphorus contained in
5 chapter 70.95L and improvements in waterbody phosphorus levels, then
6 sections 1 through 8 of this act are null and void"

EFFECT: Conditions the prohibitions on the application, sale,
and retail display of turf fertilizer labeled as containing
phosphorus on the Department of Ecology's ability to show, through
peer reviewed science, that there is a correlation between the
implementation of the limitations on the use of dishwashing
detergent that contains phosphorus and improvements in waterbody
phosphorus levels.
